

Camp Scholarship Application Form

Redeemer Lutheran Church Fridley, Minnesota

Redeemer has a long camping ministry tradition through which we have reached out to thousands of people world-wide. Because we know the great impact camp has had on so many people, we want everyone to be able to participate in this experience. This means that we are more than willing to help people in need financially. We will not allow financial conflicts to hinder people from going to camp. We would like this ministry to continue in its effectiveness; therefore, we are giving our best effort to allow all who are in actual need to be a part of Redeemer's camping ministry.
