Title: "Lead Us Not Into Temptation" Matthew 6:13

Pastor Dave Glesne, February 24, 2008

Temptation means a lure, an enticement.

Everything in this world can present us with a temptation.

Testings are different than temptations

- sent by the Lord.
- for our good.

We are tempted by

- the devil
- the world
- our flesh

Sin always looks inviting from a distance

Every petition in the Lord's Prayer is also a promise.

In this petition we are promising

- to guard ourselves from walking into certain circumstances
- not to invite temptations

"Lead **US** not into temptation" is also a prayer for others.

For us who have given into temptation, this is a wonderful time to go to the cross.

Jesus came to bring forgiveness.
