Title: "Deliver Us From Evil" Matthew 6:13

Pastor John Niewald, March 2, 2008

1 Corinthians 10:13 - Three Observations

1 Expectation.

- What's your marshmallow?
- The Evil One doesn't just tempt you to do what's wrong.

He tempts you not to do what's right.

2 God will not tempt you beyond what you can bear.

- There is no temptation that I face that is not filtered through the Father's eyes.

3 When you are tempted, God will also provide a way out.

Three actions that will help you resist the Devil:

- The joy of the Lord is our strength. Nehemiah 8:10
- You and I need to develop relationships of accountability.
- To immerse your mind and your life and your heart in Scripture.
