"The Procession of a Burden Bearer on a Burden Bearer", Matthew 21:1-11

I. It was an event **prepared in advance!**

II. It had been **prophetically proclaimed** many years previously!

III. He was **acknowledged enthusiastically** by many!

IV. It was **the manifestation of a burden bearer** of all burden bearers!

Small Group Discussion Questions:

- 1) In what way is advance preparation significant?
- 2) How was and is this advance preparation still significant today?
- 3) What is the significance of a prophetic message proclaimed years in advance of its fulfillment or reality?
- 4) Why do you think the crowds responded so enthusiastically? How did they lose their enthusiasm so quickly?
- 5) When do we need a burden bearer?
- 6) What are we saying when we say, "I can do it by myself?"
- 7) In what manner has this message brought comfort and hope in your circumstances?
