

4. Opportunities can be lost when **God's ways** are different than ours.

5. An opportunity taken usually produces **another opportunity**.

Small Group Discussion Questions:

1) Clarify for one another the Acts 1:8 Vision and its components. How does the ACTS in Faith Campaign fit with the Vision?

2) Share with each other your spiritual journey as you come to Celebration Sunday on November 19.

3) Share one time when a problem resulted in an opportunity for you.

4) Have you ever had an opportunity pass you by which now you wish you had grabbed hold of? What was it?

5) Why isn't being in the right place at the right time always good enough?
